

“When it comes to toner cartridges,  
we can offer you a great deal.”

## THE DIGITEX PROMISE

One of the greatest advantages of having a Local Digitex Dealer is our “24-hour-hand-delivered guarantee;” we promise to get you your replacement as soon as possible, hand delivered and within 24 hours. All Digitex Corporation laser toner cartridges are guaranteed for two years from the date of manufacture. Digitex will replace the cartridge or refund the full purchase price of any cartridge found to be defective.

Digitex Corporation also warrants that subject to conditions stated below and under normal use, that their cartridges will not cause damage to any laser printer or fax machine. If a defect in a Digitex cartridge causes a printer or fax machine to fail, Digitex will repair the laser printer to its original condition within twenty-four (24) hours or offer replacement; all at our cost.

This warranty is dependent upon the customer providing Digitex with satisfactory evidence that the equipment failure was due to a defect in a Digitex cartridge, by providing Digitex with the toner cartridge, which we will replace with a new one. This liability hereunder shall be limited to replacement or reimbursement as provided above. This warranty is exclusive, and in lieu of all other warranties of merchantability and fitness for a particular purpose.

All warranty claims should be made through your Digitex corporation representative.
